Sir,

Nearly 3 years ago, on March 22, 2004 we filed a regular patent application No. 10/806,766.

A copy of the receipt is attached herewith.

During the past three years, we have not received any communication from the USPTO.

A possible reason was that the company has moved to a nearby building. However, the Post Office forward to us all correspondence without any problems.

Kindly check the status of the application and let us know of your findings.
